***See back for descriptions of various activities*

Field Trip to Occom Pond: All Adventurers will go on this field trip if they are signed into KAST on this day. They will have choices between helping sculpt the KAST Snow Sculpture for the Occom Pond Party and Ice Skating on the pond. Kids are encouraged to bring their own skates and helmets but we will provide them if kids want to go and don't have them. Helmets will be required for all kids while on the ice. We will take the group to the pond on the Advance Transit and be back to RMS by 5pm.

Ice Skating at Occom Pond: Adventurers will have the chance to sign up for skating at Occom Pond (with parent approval) on the 13th. Kids are encouraged to bring their own skates and helmets but we will provide them if kids want to go and don't have them. Helmets will be required for all kids while on the ice.

Cartoon Workshop: On February 15th, Kristen Shull, a student at The Center for Cartoon Studies in White River Junction. will be spending some time with our aspiring cartoonist in a workshop designed to transform their ideas into cartoons and comics. This will be available the day of for those that are interested and we will be asking kids to sign up during the week.

Field Trip to Howe Library Maker Program: Howe Library is inviting us to join them on Wednesday February 27th to their new Maker Program. All Adventurers will go if they are signed into KAST on this day. We will take the group to the library on the Advance Transit and be back to RMS by 5pm.

Kids' Choice: have the choice between doing a craft offered earlier in the week, finishing up something you already started, or picking between our rotational crafts (yarn crafts, fuse beads, loom bands, etc.)
