**Noon Release Field Trips:** *The bus will depart from Ray School at 12:45pm and return to RMS at 5pm. We do not leave staff behind at the school so all kids signed in will go on the trip.*

**Wednesday Wanders: ECO TOUR** with Courtney from the Hanover Conservancy 2:30pm-4:15pm

**Cartoon Workshop:** On March 8th, Kristen Shull, a student at The Center for Cartoon Studies in White River Junction, will be spending some time with our aspiring cartoonists in a workshop designed to transform their ideas into cartoons and comics. This will be available March 8th for those that are interested and we will be asking kids to sign up during the week.

**Kids' Choice:** have the choice between doing a craft offered earlier in the week, finishing up something you already started, or picking between our rotational crafts (yarn crafts, fuse beads, loom bands, etc.)
