***See back for descriptions of various activities*

Field Trips: *The bus will depart at 2:45pm and return to RMS at 5pm. We do not leave staff behind at the school so all kids signed in will go on the trip.*

The Nature Museum Workshop: Calling all Fairies, Elves & Imps! Fire up your imaginations by creating a Magical Village building. We are inviting The Nature Museum to KAST to do their Nature Program with us. This collaborative project gets kids outside & taking a fresh look at nature's small wonders. On Wednesday May 15, Jay Degregorio will work with **All Adventurers** for the the workshop taking place in the woods behind RMS until 5pm, if you need to pick up before that time, please send an email to absent@kidsafterschooltime.org

Kids' Choice: have the choice between doing a craft offered earlier in the week, finishing up something you already started, or picking between our rotational crafts (yarn crafts, fuse beads, loom bands, etc.)
