### Currently Enrolled KAST Families: Registration Process for the 2021-22 school year.

#### SUBMITTING On-line REGISTRATION *REQUEST*

Please first fill out the on-line “[Registration Request for 2021/22 School Year](#)” with your child’s intended schedule for next school year. This on-line portion of registration will be open from **Monday, March 15th through Friday, March 19th**

**Note:** *If you do not submit your intended schedule by Friday, March 19th a KAST space will not be held for your child for the 2021-22 school year. Request for additional days will be given on a 1st come 1st served basis.*

1. Click on the program link “[Current KAST Families](#)”.
2. Please complete the on-line form with your child’s intended schedule for the 2020-21 school year. Families that will not need after school care in 2020-21 should also fill out the online form (except for parents of 5th graders, as we do not provide KAST to 6th graders).

You are only **guaranteed** the space your child **currently** holds. I will contact families that requested additional days or a change in days by Thursday, March 25th **only** if I cannot accommodate your request.

*There is a Part 2 to this process* which will entail filling out new forms and providing payment, but I am not providing that information at this time so that families are not confused by the deadlines for each step.

#### Kindergarten Siblings

If you have a sibling that is an upcoming kindergartener in 2021-22 please make sure he/she is on the 2021-22 **waitlist** which can also be found at [www.hanoverrec.com](http://www.hanoverrec.com) on the “KAST” button.

You will be offered space that is available **AFTER** this initial submitting of intended schedules, **ONLY** your currently enrolled child’s schedule is indicated in part 1.
