Meet the Staff

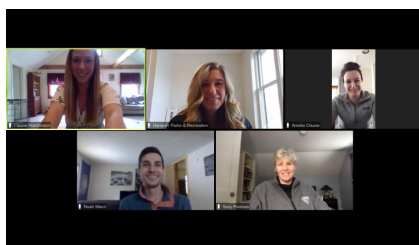

Hello! My name is CJ Wheelan and I am a Junior at Hanover High School. I play soccer and love computer programming. I worked at the HPR summer camp last year and I am looking forward to working at KAST for the rest of the school year!

Hello! My name is Noah and I am the new Program Specialist at HPR! My background is in ecology and outdoor education so I am excited to be working with the Eco-Tours at KAST and throughout the summer. In my free time, I love to hike, mountain bike, fish, and camp .

Remote Connections

Until we can all be together again, OST staff are setting up a private youtube page that you will be sent a link to so your children can watch videos from their favorite KAST staff! We will have nature walks within Hanover and Virtual Field Trips, story time, science experiments, grossology , arts & crafts and more! Be on the lookout for an email from parksandrec@hanovernh.org with more information!
